Available in three colours:

Premium Quality

The result of a careful selection of the best raw materials. Roasted, ground and sealed to preserve all the aromatic properties and flavor.

Biodegradable Capsules

Our capsules are made from biodegradable materials that can be easily disposed of amongst normal household refuse.

Super Creamy

We create exclusive blends for each of our varieties designed to achieve the perfect espresso with more cream, more aroma and better flavor.

Sustainable Coffee

Committed to the sustainability of producing countries, collaborating with Cafe Mundi to improve conditions for coffee communities.
