## Get to know Cabú Coffee

We've taken it upon ourselves to offer the highest possible quality in the marketplace so that customers can enjoy luxury without a premium price tag. Cabú Coffee is perfect for bar and cafés and our innovative products help to deliver on the promise of gourmet coffee for all.

Lovers of fine products will know as soon as the taste hits, that Cabú coffee is something exceptional. This is no surprise as we only use gourmet beans and leaves to guarantee excellence.

Cabú offers the complete experience. Enriched by flavors and exotic aromas, Cabu offers more than 49 different blends. Our tea hails from the best locations worldwide and Cabú coffee uses 100% high altitude Arabica from the places where coffee originated.

For the hospitality industry or the home.  
Ready for the best, ready for Cabú.
